Introduction.

CONFERENCE SERVICES MANAGER (CSM)

Omni's Conference Services Department has certified meeting professionals on staff. After receipt of your signed contract, an experienced CSM will be assigned to assist you in planning all the details of your program. Your CSM will help you with guest and meeting room arrangements, audiovisual, recreation, special functions and ground transportation to and from the resort. Detailed, advanced planning is the key to an effective business meeting or recreational outing. It is important that you communicate directly with your CSM to ensure your program's success.

EVENT CONCIERGE TEAM

Our Event Concierge team will be your meeting concierge and liaisons during your program. They will be available to assist you with anything you may need, spearheading communication for you throughout the Hotel. Think of them as an extension of your team!

Hotel Information.

INTERNET CONNECTIVITY

We offer complimentary T-1 high-speed internet lines in all guest rooms for Select Guest members and contracted room blocks. Please check the audiovisual page for meeting room pricing.

WEATHER

Rain calls for outdoor functions must be made no later than 8 business hours prior to the event. The Hotel reserves the right to make the final decision on whether the function will be outdoors or indoors depending on weather conditions.

SMOKING POLICY

Omni Fort Worth is a "non-smoking" facility. A \$300 cleaning fee will be charged if a guest should smoke in one of the guest rooms or balconies. There are designated smoking areas located throughout the hotel.

OCCUPANCY TAX AND SALES TAX EXEMPTIONS

Tax-exempt groups must provide a tax exemption form to their CSM at least 30 days prior to the event start date for both occupancy tax and sales tax exemptions. For occupancy tax exemptions, unless reservations are paid for by the same credit card/method of payment or the rooms are routed to a master account, we must have a tax-exempt form for each individual guest. These need to be given to the front desk as the guest is checking in.

Check-in and check-out.

CHECK-IN TIME | 4 P.M.
CHECK-OUT TIME | 11 A.M

Early check-in requests cannot be guaranteed and will depend on hotel occupancy the evening prior. Requests for late check-outs must be approved by the Front Desk Manager on the day of departure. Photo ID will be required from each guest at check-in for security purposes. Each guest will also need to present a credit or debit card at check-in (unless all charges are to the Master Account). Please recommend that your guests use credit cards (not debit cards). Credit cards will be pre-authorized for the room rate plus \$150 per person per night on arrival to ensure funds are available. If a debit card is used, a hold will be placed on the card for the room rate plus \$150 per person per night from the guest's account. This hold will be released three to five days after check-out based on the guest's bank.

The hotel inventory consists of 618 sleeping rooms on floors 4 through 15.

Guestroom quiet hours are from 10pm to 7am.

Guestroom reservation cancellations may be subject to a one-night room and tax cancellation fee. Please refer to the Group Agreement for details.
